Dear Sir or Madam,

Re: Mr Alan Brennan, date of birth 09/02/1965, National Insurance number QQ 50 93 36 A
Aegon Personal Pension, plan number 0905093364

We act as financial adviser to Mr Brennan, and our firm (agency AG-6604) is recorded as the adviser on the plan above. Mr Brennan lives at 18 Prior Park Road, Bath, BA2 4NG.

We are preparing for Mr Brennan's annual review meeting, which is booked for early November. As part of that review we are looking at his overall investment mix and whether his current level of contributions remains appropriate. We do not need a transfer value or any illustration at this stage, and Mr Brennan is not considering moving the plan.

To help us prepare, we would be grateful if you could provide the following information:

1. The current value of each fund the plan is invested in, showing the fund name, and the total value of the plan.

Please note that Mr Brennan has asked us to review the ethical profile of his funds, so it would help us if the fund names are given in full rather than as fund codes. Where a fund invests in an external fund, we would also appreciate the name of the underlying fund.

2. Details of every contribution received into the plan in the last three months (July, August and September 2026), including any single (one-off) contributions, with the date each payment was received and the amount.

Mr Brennan believes he made an additional one-off payment during the summer and would like to confirm that it was received and applied.

Please send your reply by email to rachel.moore@kestrelfp.example, quoting our reference above. If you need anything further from us, please contact me on the number above.

Thank you for your help.

Yours faithfully,

Rachel Moore
