Dear Sir or Madam,

Re: My pension plan 0903871205

Please find enclosed my annual statement dated 5 April 2026.

The statement shows my plan value as £36,470.46, but I expected it to be over £38,000. Last year's statement showed £34,641.52, and I sent a cheque for £3,000 at the end of March as a single contribution, so I thought the value would be higher.

Please could you tell me what my plan was worth on the statement date, 5 April 2026, and whether my £3,000 payment has been included.

For your security, my date of birth is 27 May 1962 and my National Insurance number is QQ 38 71 20 C.

You can reply by email to carol.pemberton@mail.example.

Yours sincerely,

Carol Pemberton
Mrs C. Pemberton
